LEAVE EPOXY IN THE DUST

SHOP FLOORING

Swisstrax offers an ideal alternative to standard concrete and epoxy flooring while being the perfect solution to enhance the look of your business. Cover up floor imperfections such as cracks, stains or just plain old boring concrete in just hours, not days.

Our modular flooring systems are eye-catching, simple to assemble, easy to maintain and backed by industry leading warranties. Swisstrax tiles are also chemical resistant to any fluids you would find in a shop or outdoor space. Whether you experience snowy winters or hot, humid summers, Swisstrax has a solution that will fit your flooring needs! With four tile styles and a variety of hardwood grains and colors to choose from, you can be certain your shop will be the "talk of your block".

Do it Yourself

Unlike paint and hardwood, Swisstrax garage floor tiles can be installed in just hours, not days. There are no chemicals, no toxic fumes, and you don't have to clean out your whole space and wait days before moving your stuff back in!

Chemical Resistant

Industrial strength, Swisstrax floor tiles are resistant to oil, grease, or solvents including Skydrol and Alkalis.

Slip Resistant

Swisstrax floor tiles are a safe solution to moisture creating a slip resistant surface.

UV Protected

Tiles are provided with a 5 year Pigment Package for UV protection.

100% Virgin PP/Copolymer Material
